

REISSUE APPLICATION DECLARATION BY THE INVENTOR

Docket Number (Optional)

WARR 0127 R

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are stated below next to my name.

I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is described and claimed in patent number 5,568,925, granted October 29, 1996, and for which a reissue patent is sought on the invention entitled SCOOPED LACROSSE HEAD

the specification of which

☒ is attached hereto.

☒ was filed on July 27, 1998 as reissue application number 09/ 123,925
and was amended on _____
(If applicable)

I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56.

I verily believe the original patent to be wholly or partly inoperative or invalid, for the reasons described below. (Check all boxes that apply.)

☐ by reason of a defective specification or drawing.

☒ by reason of the patentee claiming more or less than he had the right to claim in the patent.

☒ by reason of other errors.

At least one error upon which reissue is based is described as follows:

The application that resulted in U.S. Patent No. 5,568,925 inadvertently did not claim priority to Applicants' earlier filed co-pending design patent application. The present patent is entitled to the earlier filing date, under 37 U.S.C. Section 120, of its prior application, Serial No. 038,327 which was filed on May 3, 1995. The prior co-pending U.S. application is entitled "Lacrosse Head" and is directed to the same subject matter as described in the present application.

The patentee of U.S. Patent No. 5,568,925 also claimed less than he had the right to claim in the patent.
